

## Partner search

### Culture sub-Program

Strand/category	European cooperation projects
Deadline	November 2017

### Cultural operator(s)

Name	Cluster FACTS
Short description	<p>Cluster FACTS was formally registered in September 2010 as a non profit organization. The Cluster currently consists of 20 private companies and 3 academic institutions. Honorary members supporting this initiative are Regional development agency Zlatibor from West Serbia and Regional development agency Belgrade, as well as Technological Metallurgy Faculty in Belgrade and Belgrade Design Collective . Members of the FACTS cluster have cca € 50 million worth of sales. The sales focus on local markets as well as export. Export sales make about € 20 million. Total number of employees within the Cluster is 3,000 people and 91 % of are female labor force. Cluster FACTS membership in the indirect way and through the developed cooperative network employs over 4,000 people. The main strength of the fashion clothing sector and therefore the Cluster FACTS is in linking the knowledge, design, creativity and experience of the workforce. Continuous clustering education, attendance at seminars and participation in workshops as well as in joint projects and procurement, networking and transparency in information is the basis for the success of the FACTS Cluster and its membership.</p>
