Culture sub-Program

Strand/category	European Platforms / Cooperation Projects (large, small)
Deadline	6 April 2017 / Beginning of 2018

Cultural operator(s)

Name	ESPRONCEDA – Center for Art & Culture / Barcelona
Short description	<p>www.espronceda.net</p> <p>ESPRONCEDA is an innovative centre for Art & Culture. Its mission is to provide a platform for creation which promotes international dialogue between artists, curators, critics, collectors, cultural institutions and lovers of art. It provides residencies for national/international artists (and curators) . Espronceda believes in international cooperation and has established agreements with international organizations to allow for the development of a global exchange of ideas.</p>
Contact details	Dr. Holger Sprengel – holger@espronceda.net

Project

Field(s)	<p><u>Looking for a project</u></p> <p>contemporary arts, multidisciplinary</p>
Description	<p>The Espronceda programme provides production residencies for national/international artists and curates a cumulative exhibition of their work in Barcelona at the end of each residency.</p> <p>The centre promotes educational and cultural diffusions by presenting exhibitions by renowned artist as well as by exploring curatorial concepts and by organising concerts, workshops and hosting meetings for art professionals.</p> <p>Espronceda believes in international cooperation and has established</p>

agreements with APT (Artists Pension Trust), Rufa University, the Royal School of Arts, and many more organizations to allow for the development of a global exchange of ideas, and for creators to contribute to a greater tolerance and understanding of world cultures.
